To Whom It May Concern:

Dear Sir/Madam

Award Plastics have been a supplier to SKOPE Industries for a number of years. Ross Hall and his team have work very hard not only understand our needs but to put in production and quality systems to ensure these needs are met.

Award Plastics are now one of our best suppliers and we have not had a single instance in recent times where they have either delivered a product late or where it has had a quality problem.

I would have no hesitation in recommending them as a supplier.

Yours sincerely

SKOPE Industries Limited
